Payments

Fees and charges are invoiced before the commencement of each term, four times per year, excluding Year 12, which is invoiced over three terms.

Families have a range of options as to the pattern of payment of their fees:

1. To pay the full year's fees in full before the start of Term 1 – this option attracts a 2% discount.
2. To establish a direct debit payment plan, from a bank account or credit card, consisting of:
   a) Quarterly instalments made as per dates above
   b) Ten monthly payments beginning on February 15th and concluding on November 15th.

The School no longer accepts cash payments, however, we can make alternate short-term arrangements for payment using a *credit card, BPay or cheques.

If your Direct Debit payment fails on the date it is due, we will contact you regarding it being reprocessed and a **$15 fee will be charged to your school fee account.

Non-Payment of Fees

If payment of fees is not received by the statement due date (unless a periodic Payment Plan was chosen), a late fee of $100 will be incurred.

*Note: *Credit & Credit card payments attract a surcharge fee. **The first failed payment each year will not attract a fee*
