End of Term 3 Letter

Dear BMGS Community

We have come to the end of an extremely busy term. What has stood out to me is the quality of work that the team at BMGS have executed so far. This was highlighted as we farewelled the Class of 2022 over a number of events. We had assemblies, the Valedictory, House farewells, the Valedictory concert. Throughout each of these events our students had the chance to reflect on their time at Grammar. We had the usual range of emotions, with students realising that, in the words of The Greatest Showman - this is it! But I would like them to keep following the lyrics to that song which go on to say "look out 'cause here I come!"

To the rest of our community - enjoy your break. Some will have holidays, some will care for family members, some will continue to work. Regardless of where you sit on that scale, I hope that the next two weeks are refreshing. We look forward to students returning to term 4, and a big finish to the year.

Within this communication are a number of end-of-term matters relating to the Junior School, in [Mrs Newton's Letter](#) and the Senior School, in [Mr Laffin's Letter](#). Please take the time to read carefully.

Steven Coote
