1 DEFINITIONS

Authorised Person	The person in the School with approval to share information with third parties. These are Senior Executive and Wellbeing Supervisors.
Bar Status	Applicants with a bar status will not be provided with a child-related worker's number and are restricted from engaging in child-related work and not able to apply for another clearance for five years. Employers are notified by the Office of the Children's Guardian and instructed to remove such persons from child-related work.
Complaint	Refers to any suggestion of abuse or harm that is disclosed, witnessed or demonstrated by a student.
Concerning Conduct	Refers to any behaviour or pattern of behaviour that may pose a risk to the safety of students. This may also include ambiguous behaviours that are potentially inappropriate for students to be exposed to but are not necessarily indicators of abuse.
Criminal Conduct	Refers to conduct that, if proven would constitute a criminal offence and would trigger a mandatory report to the Police.
Disqualified person	A person who has been convicted, or against whom proceedings have commenced, for a disqualifying offence outlined in Schedule 2 of Working With Children Act. A disqualified person cannot be granted a working with children check clearance and is therefore restricted from engaging in child related work
Employees	Paid members of staff, whether full-time, part-time or casual.
External Workers	Student teachers, work experience students, church ministry workers, consultants, contractors (including specialist teachers), sub-contractors, self-employed persons, ministers of religion and members of religious organisations.
Grooming Behaviour	Behaviours that manipulate and control a child, their family and other support networks, or institutions with the intent of gaining access to the child, obtaining the child's compliance, maintaining the child's silence, and avoiding discovery of sexual abuse. Grooming may take place in person and online, and is often difficult to identify and define. This is because the behaviours involved are not necessarily explicitly sexual, directly abusive or criminal in themselves, and may only be recognised in hindsight. Some grooming behaviours are consistent with behaviours or activities in non-abusive relationships, and can even include desirable social behaviours, with the only difference being motivation. Perpetrators may groom children, other people in children's lives, and institutions.
Head of Relative Entity	Refers to the School Principal, or their delegate.
HR Administrator	Refers to the Principal Personal Assistant
Investigator	The Principal or their appointed qualified investigator/s
Misconduct	Refers to behaviours that may not meet the threshold of reportable conduct, but which constitute a breach of the Staff Code of Conduct.
Natural Justice	A minimum standard of fairness.
Principal	Refers to the School Principal or their delegate.
Procedural Fairness	A means of achieving natural justice when resolving a matter through an open and fair process of investigation and decision making that is free of bias and observes people's right to a fair hearing.
PSOA	Person Subject of the Allegation
Reportable Allegation	Refers to any allegation against an employee that on a <i>prima facie</i> basis meets the threshold of reportable conduct, triggering a mandatory report to the Office of the Children's Guardian.
Reportable Conduct	Behaviour of the following kind by an employee: <ul style="list-style-type: none">any sexual offence, or sexual misconduct, committed against, with or in the presence of a child (including a child pornography offence), orany assault, ill-treatment or neglect of a child, or

- an offence under s 43B (failure to protect) or s 316A (failure to report) of the Crimes Act 1900; and
- any behaviour that causes psychological harm to a child, with or without the consent of the child.

Risk Management	The process of identifying the potential for incident or accident, and taking steps to reduce the likelihood or severity of its occurrence.
Risk of Significant Harm	A student is at risk of significant harm if the circumstance may be reasonably expected to produce a substantial and demonstrably adverse impact on the student's safety, welfare or wellbeing. Such risk can result from a single act or omission, or an accumulation of these.
School Community	Includes employees, volunteers and all students and families of the school.
